Re: United States v. Ernest DeAngelis  
1:07-cr-00889-RPP-7

Dear Judge Patterson:

I previously received consent from AUSA Benjamin Gruenstein for my client, Ernest DeAngelis, to travel to Aruba from February 10, 2008, to March 4, 2008. I believed that we had requested the same from the Court. We have since learned that we were in error.

I am respectfully requesting the Court's approval, nunc pro tunc, just to keep everything in order. Mr. DeAngelis has returned and has been reporting to Pretrial Services. It was my error and no one else's.

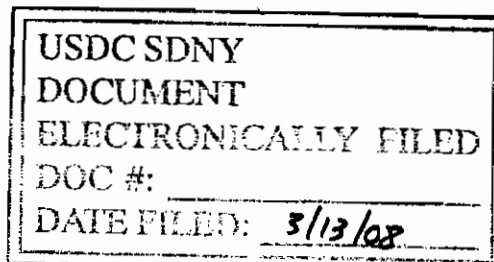

Should the Court need anything further, please contact my office. Thank you for your consideration.

Respectfully submitted,

*Murray Richman* (CS)
